GOOD SHIPMENTS OF COAL DURING FIRST SIX MONTHS

River Trade Much Better Than in Year 1908.

JUNE A BANNER MONTH
Total Nearly Equals That of Record Made in October 1907.

The shipments of coal through Lock No. 4 for the first six months of this year totaled 95,492,000 bushels. This amount falls somewhat behind the total shipments for the first six months of 1909, and 1907, which was respectively 104,740,000 and 99,005,500 bushels, but surpasses the total for 1908 of 89,185,000 bushels and surpasses the total shipments of the last six months of 1908 and 1909 of 73,716,000 and 88,038,000 bushels respectively, but does not beat the 1907 record.

The average shipment per month for the first six months this year of coal through Lock No. 4 was 15,912,000 bushels but counting the July shipment the average for the first seven months was 16,778,500 bushels per month. The one short month of the year thus far was April, when the coal strike was on, and many of the mines along the valley were closed. Then however, considering the conditions there was rather an exception total shipment of coal of 5,607,600 bushels. The heavy month thus far has been June when 20,199,000 bushels of coal were loaded through. If the April shipment had been up to the average for the remainder of the months the total shipment for the first six months would be much above what it is now.

There is every indication to believe that 1910 will be a banner year in the river coal trade. So far the year 1907 holds all records when through Lock No. 4 was loaded 208,415,000 bushels of coal. With the average shipments per month at 17,000,000 or 18,000,000 bushels near the 1907 total amount can be reached.

It might be said that there were two exceptional monthly total shipments made during the past three years, the first in October of 1907 of 20,420,000 bushels, this standing the record for any one month for many years. The second was in June of this year, when as noted in a preceding paragraph there was a total of 20,195,000 bushels went through the lock.

STRONGHOLD OF KEYSTONE PARTY FAVORS TENER

Old Lehigh, the home county of State Treasurer John O. Sheatz, the "little boss" of the Flinn-Van Valkenburg Gang that brought the rump Keystone Party into being, and named the mongrel ticket headed by ex-State Treasurer William H. Berry, the celebrated bolter from the Democratic Party for Governor, is lining up to conduct an aggressive campaign for John K. Tener, Republican nominee for Governor and the whole ticket says the Philadelphia Star.

Miss Ruth Chaltant of Washington after a visit in Charleroi with her aunt, Mrs. J. H. Frye, returned home yesterday afternoon.

Woman Is Injured By Bad Fall Upon Slippery Pavement

Mrs. Sarah McEwen of Lincoln avenue, while coming down Fifth street from Lincoln avenue to Washington avenue yesterday slipped on the pavement and fell, sustaining a bad cut in the head. She was not rendered unconscious, and was taken to Dr. H. J. Repman's where he dressed the wound. It was necessary to take several stitches to close the bad cut which she received.

EXAMINED MINE OF SENATOR ELKINS IN WEST VIRGINIA

Superintendent Johnson and Engineer Mason Return From South.

Jesse K. Johnston, General Mine Superintendent and Harry D. Mason, mining engineer at the Charleroi Coal mines returned last evening from Morgantown, W. Va., where they have been making an examination of the Elkins Coal and Coke company's properties in Monongalia and Preston counties. The Elkins Coal and Coke company has fine coke properties along the Morgantown and Kingwood railroad and own 4,000 acres of coal. The property is controlled by U. S. Senator Stephen B. Elkins of W. Va. They are making a high grade of coke from the Freeport coal, all of which finds a market in the east. The Morgantown and Kingwood railroad expects in the near future to make a connection with the West Virginia Central and Western Maryland at Rowlesburg, W. Va. and with the Pittsburgh and Lake Erie extension at Rinesville which will give this large coal field new markets both in the east and west.

NORTH CHARLEROI LADY ENTERTAINS MISSIONARY CLUB

The Women's Missionary Society of the Washington Avenue Presbyterian church met at the home of Mrs. Jasper Rockwell of Lock No. 4, yesterday afternoon. Devotional exercises were led by Mrs. C. M. Allen, after which the subject of "The Freedmen" was discussed by Mrs. R. J. Whitehead as leader, assisted by Mrs. N. W. Patton and Mrs. Dolly Jeffries. Mrs. Ely of Finleyville then gave a highly interesting talk on the "Educational Side of the American Negro" and having spent several years among them in the south, her talk proved conclusively that she "knew whereof she spoke." Refreshments were served on the lawn by the hostesses, Mrs. Rockwell, Mrs. Williams and Mrs. Craft.

Enjoy Dancing

A party of young people, numbering about 18 couples went to Eldora last evening, where they enjoyed dancing. In the party were people from Charleroi and other places along the valley.

DOG IS KILLED AFTER IT BITES OTHER ANIMALS

Supposed Mad Dog Shot on Lincoln Avenue Last Evening.

A shepherd dog thought to be mad was killed on Lincoln avenue, near Seventh street last night, after it had bitten some other dogs in the vicinity. The dog was shot by Roy James. Where the animal had come from was a question, but when it appeared, people noticed it acting strangely, and it is said froth was dropping from its mouth. He snapped at the dogs and nipped one or two. The dog was not the one which snapped at and bit Mail Carrier Peter Lee yesterday morning. The animal, which bit Lee was tied up by the owner Charles Culler, and gives no symptoms now of being mad.

The condition of the dogs is caused largely it is said by the lack of good fresh water, which brings on a state of distemper, causing frothing at the mouth. When in this state they are likely to be taken for mad.

FIRST PRESBYTERIANS TOO STRONG FOR THE WASHINGTON AVENUES

Scores were frequent in last night's game between the two Presbyterian teams of the church league, the bunch known as the Firsts being in the lead when the shot and shell had passed and the smoke of battle had rolled away. It was mainly a battle of hits, errors and bases on ball, as most any ordinary contest is, with the odds in all these favoring the First Presbyterians. The Washington Avenues stored the game in their pocket in the first inning, when they got five runs on one hit, two base on balls, three errors and a life, but couldn't keep it there. The Firsts scored a tiny one in the next inning on an error and a hit and two in the third on three bingles and a sacrifice. In the third the Washington Avenues scored twice on four hits, and got their final one in the fourth inning on three hits. Meanwhile the First Presbyterians in the fourth inning tallied four times on two hits, two stolen bases three errors and a base on balls. In the next session they crossed the pan thrice on three hits, one a three baser, an error and a base on balls. The score:

Leave for Chautauqua

Misses Mary McGee, Florence Crill, Blanche Frye, Manie Moffitt and Roberta Trew left this morning for Niagara Falls, Buffalo and Chautauqua. While in Buffalo they will be the guests of Mrs. Alex Mathews, formerly of Charleroi and take time to call on Elbert Hubbard at East Aurora. At Chautauqua Miss Frye will take a course in designing and china painting from a Mrs. L. Vance Phillips and Miss Maud Mason of New York City.

Thomas Owens is in Pittsburg today to transact business.

ELKS AND EAGLES WILL PLAY BENEFIT FOR THE HOSPITAL

Capt. Todd and Capt. Wagner Lining Up Their Men for Real Struggle.

A benefit in the way of an alleged baseball game will be played on August 16 by the Elks and Eagles teams. The benefit will be for the Monessen-Charleroi hospital and the committees in charge of arrangements for the affair hope to realize largely on it, because of the worthy object. Non-Elks people are being interested, and it is supposed that they will come in large numbers for the game.

Sam Todd, who became noted in his younger days for his baseball ability and the accuracy of his throwing arm, will captain the Elks team and do the heaving, while his opponent on the slab will be Henry Wagner, who will captain the Eagles team.

Todd will have for his backers a bunch that it will be hard to beat, and Henry Wagner promises the same. The Elks' lineup will be something like the following: Pierce Ferguson, catcher; Sam Todd, pitcher; Jack Mathias, 1st base; Judge Jenkins, 2nd base; Manager McCloskey, shortstop; Tom Hastings, 3rd base; Kerfoot Daly, left field; John Monier, middle field, and John Tener, right field. Utility men, whom many think have something on the regulars will be Tom Eagey, Charles Bateman, Lou Mitchell, Bruce Barnett, George Barnett, Tom Barger and W. W. Jameson.

The Eagles will line up about as follows: J. Hudspeth, catcher; Wagner, pitcher; James Underwood, 1st base; H. Bentz, 2nd base; Frank Hall, shortstop; Pete Naylor, 3rd base; Al Bertsche, left field; F. McCafferty, middlefield; Dick Simon, right field. The utility men will be: Sherman McFeeley, Squire Newton and Harry Furlong.

HALF HIGH SCHOOLS OF COUNTY MAY NOT GET APPROPRIATION

Only half of the high schools of Washington county under supervision of County Superintendent L. R. Crumrine are in a position to receive their allotted appropriation for the coming term of school.

Eleven of the 24 high schools have as yet failed to send in their annual reports to County Superintendent L. R. Crumrine and unless these are received within a few days and advanced to the State Department of Public Instruction before September 1, the delinquent schools will lose their appropriation for the year.

Superintendent Crumrine is in receipt of communication from Prof. Walter S. Hertzog, state high school instructor, stating that unless these reports were in Harrisburg by the first of the month, the appropriations would be withheld.

Those who have not yet reported to Prof. Crumrine are Centerville, Clayville Cecil, Donora, McDonald, Micway, Monongahela, Somerset, West Alexander and East Washington.

The school districts are required to report to the county superintendent, who forwards to the state department a complete report for the year covering the length of the course, number of students enrolled, number of teachers, number of members of the last graduating class, average age of graduates and subjects taught. All kinds of schools receiving non-resident pupils must report number of such pupils and districts from which they come and also the number of months they attend and the amount of tuition paid.

Five districts are still delinquent in sending in their reports of the grades below high schools. These reports were to have been in the hands of the state department by the first of August. Those not yet heard from are West Alexander, Centerville, East Washington, California and Union township. The report of Union township was received but was returned for corrections. The appropriations are given out in the order reports are received and those who delay must await the pleasure of the department in forwarding the appropriations.

CRIMINAL COURT TO TAKE UP TWO IMPORTANT CASES

Officers Instructed to Name Committees for Annual Outing

The Business Men's Association at their regular meeting last night, made partial arrangements for the Business Men's annual picnic to be held at Eldora Park on August 17. There was little else to come before the association. The officers of the association were instructed to meet this afternoon and prepare an entire list of committees to have charge of the arrangements.

ONE VACANCY IN GRADE IS FILLED BY SCHOOL BOARD

New Treasurer Makes First Report at Regular Monthly Session.

One teacher was elected last night by the school board to fill a vacancy in the fifth grade of the Fifth street building. The vacancy was caused by the resignation of one of last year's teachers, Miss Elizabeth Noble of Kittanning, was chosen for the place. There is yet one vacancy to be filled, it being in the seventh grade of the same building.

The first report of the newly elected treasurer, R. H. Rush, under a new system just instituted was received. By this system reports are made each month of both the school and building receipts and disbursements instead of combining them both in one. Treasurer Rush's report was as follows:

Receipts building.....	\$292.39
Disbursements.....	215.00
Balance.....	87.39
Receipts, school.....	584.27
Disbursements.....	53.25
Balance.....	531.02

Total Balance.....618.41
Ex tax Collector Parsons made his report showing a total amount paid the treasurer for two years, 1907 and 1908 of \$46.09. A number of bills were accepted and ordered paid, and the board discussed the matter of books but took no action.

The members present were President J. M. Hill, Dr. T. M. Faddis, George B. Nealon and Ira L. Nickeson. Another meeting will be held Monday night.

SCOTCH CLANSMEN PICNICING TODAY

The morning trains were crowded this morning by valley Scotch people going to Kennywood park, where the Scottish clans hold forth today in a big outing. Many went from Charleroi. A long program of sports and games has been arranged. Dancing will begin at 2 p. m. in the dancing pavilion. There will be a parade of clansmen headed by the Pittsburg Bagpipe Band. The field events are so arranged that clansmen's wives and daughters will have opportunities to win prizes.

Kerfoot Daly is a Pittsburg visitor today on business.

Charleroi Case Will be One Called This Term.

WAS POSTPONED TWICE
District Attorney and Assistant Busy Preparing for Grand Jury

There are two important cases to come before the August term of criminal court which convenes next week. These are Thomas Kinney of Charleroi, charged with killing William Adams, December 1, and Kent Smith, charged with assault upon Mr. and Mrs. William Noble, an aged Centerville couple.

District Attorney C. L. V. Acheson and Assistant District Attorney T. H. W. Fergus are busy preparing the list of cases that will be laid before the grand jury next week. Forty-six cases on the August list have been disposed of, the defendants having entered guilty pleas. There are at present about 90 bills to be presented.

The two important cases were continued from last term. Kinney was indicted at the February term for the murder of William Adams at Charleroi. The case was continued to the May term and further continuance was granted to the August term, through the illness of the attorney for the defendant.

Smith, a negro, is charged with breaking into the home of Mr. and Mrs. Noble on the night of February 26. The alleged motive was robbery, and the aged couple were cruelly beaten. Kent is also alleged to have made a criminal assault on Mrs. Noble. The case was continued at the May term, when the depositions of the attending physician and Mr. and Mrs. Noble were taken.

The cases on the calendar for the present term are principally of a minor nature and it is expected will be speedily disposed of. Considerable road and bridge business will be laid before the grand jury.

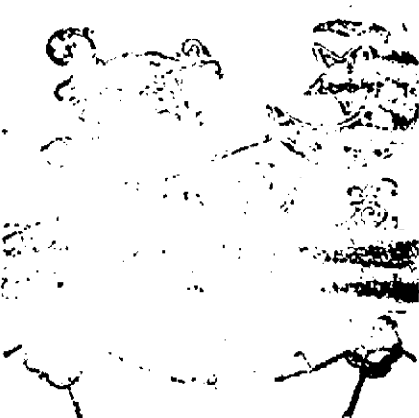

CHOIR REALIZES WELL ON GIPSY SOCIAL IN PINES

The choir of the First Christian church held a Gypsy Social in "The Pines," last night and by it realized a handsome sum to be used for choir expenses. An informal musical program of instrumental and vocal numbers was rendered. A bevy of young ladies, most members of the choir, attired in regulation Gypsy costume were the waitresses and had charge over booths which were conducted on the ground. One of the principal features was a Jacob's Well, which was presided over by Miss Ruth Middleton. Here lemonade was dispensed. The affair was in every way a Gypsy affair and the place of holding it gave it the more an appearance of reality.

Lawn Fete

The Epworth League of the Methodist church will hold a lawn fete this evening on the lawn of H. J. Booth, corner of Meadow avenue and Sixth street at which the members of the Methodist church league will be honor guests.

Women as Jurors

Lawyers in Spokane say that Shoshone county, Idaho, and not Routt county, Colorado, as reported in dispatches from Denver, is entitled to the distinction of having the first jury composed of women in the United States. The case, in which the wives of two miners in the Coeur d'Alene district were principals, was tried before Judge Kelly at Wardner, more than five years ago. The quarrel originated when one of the women alleged that the other's fence was on her ground and arrest followed. Judge Kelly, like a Daniel come to judgement, instructed his constable to impanel a jury of 12 women. L. Whitsell, formerly an attorney at Warner, and Judge Parsons were counsel in the case, which created a lot of merriment because of the utter lack of knowledge by the women as to legal terms and the duties of persons sitting in jury. However, they returned a verdict, which is a matter of record in the annals of Shoshone county.

Lovers of Freedom

As to American people sympathizing with other people in their struggle for liberty, there can be no question, says the New York World. Until shocked by the Terror, our people sympathized with the French "reds" in the Revolution. Jacobin clubs were formed men addressed each other as "Citizen." The woes of Poland were wept over by two generations that did not forget Kosciuszko's services. The Greek struggle for freedom drew from America, not only sympathy but arms, money and men. Kossuth set the country on fire for Hungary. The Italian struggle for freedom and unity was the theme of American writers from Miss Sedwick and Margaret Fuller down to W. D. Howells, Consul in 1863 to a Venice still Austrian.

The map shows traces of all these waves of sympathy in towns from Napoleon, Ark. to Ypsilanti, Mich. named for the Greek prince-patriot. We had a Kossuth hat: a Garibaldi waist for girls. Magenta and Solferino became fashion names. Volunteer firemen still use the red shirts which Garibaldi's legion first wore by accident because they fell upon some cloth of that color.

There was in each case some reason for our especial interest—the "glory that was Greece and the grandeur that was Rome," or our father's debt to France in our Revolution and their fear of aristocracy and monarchy; or Kossuth's eloquence; or the magnitude of the problems. Finland may seem little and far away; and her extinction is gradual, lacking the dramatic sudden catastrophe. This country did take a lively interest in the Russian rebellion and the establishment of the Duam. And the interest in the spread of human liberty may not be so remote as it seems.

ELE TRIC SPARKS

In the Philippines there is, according to rumor, an ant that kills flies. If those ants kill only flies they can get a good salary in the United States.

We know of a man who got his head shaved, and then spent so much time slapping flies off his dome that he got fired from his job.

From the capture of fifty robbers in a New York policeman's home it is supposed they considered it a safe place.

If the fashion plate wife feels that she doesn't like her new hat she might feel some consolation in that it can be used for a bungalow.

A diamond wedding would be one performed in a baseball park, not during April.

The birthstone of April is the diamond, and the person born then is supposed according to the horoscope to be especially innocent individual, but such is not usually.

Of course the gas is never turned low in the front parlor because of sentiment. It is so the marriageable daughter may blush unseen.

With lawn parties, afternoon teas, sailing trips, motor excursions and a lot of other such things it seems after all that the Fourth of July is the only safe and sane day of the year.

Just imagine a baseball game should all the fans try to root in that new universal, Esperanto.

SMOKE PAINT

Take a small quantity of Pittsburg air, wash thoroughly and turn loose again, advises a writer in "Success Magazine." Strain the wash water and add retaining ingredients which a Pennsylvania man claims to know about. The result is a paint that is said to be durable and cheap and especially adapted to tin roofs and iron work. The same air may be recaptured and used again, but the smoke is ruined forever.

The system is said to be in successful operation on a Pennsylvania factory where the smoke is passed through an atomizing spray. Six tons of coal of the nice smudgy kind, will, if properly treated, yield five barrels of paint, besides doing its regular work.

An interesting possibility in this discovery is a by-product in the way of sweet smelling fresh laundered air, excellent for breathing and unexcelled for hanging clothes in.

TENTH REGIMENT HOLDS REUNION

New Brighton was crowded yesterday with Spanish American War veterans and their friends who celebrated the eleventh annual reunion of the famous "Fighting Tenth" Infantry, U. S. Volunteers.

A parade was a feature in the morning, and addresses were made later in the day by Col. James E. Barnett, Lieut. Col. Thomas S. Crago, Republican nominee for Congress of Greene and Fayette counties and Maj. Neff. Connellsville was selected as the place for the next convention. A number of members of Company A was present.

UMBEL PETITIONS COURT FOR APPEAL

In the matter of the expense account of Robert E. Umbel in his campaign for the Judgeship in Fayette county, a petition for allowance of appeal to the Supreme Court from the judgement of the Superior Court, at last April term, has been filed in the office of the Prothonotary of the Supreme Court in Philadelphia, it is said. The petition was filed by Attorney B. C. Higbee of Uniontown.

The suit was brought over a question raised as to items in the account of Umbel which showed that a large sum was distributed to certain persons, but did not show the use made of the money. It was held by the Superior Court that a candidate must show in his account of election expenditures the purpose to which the money is put, and that a candidate is responsible for the actions of persons to whom money is supplied as his agents.

FIRE IN BRUSH HEAP ON HILL

Considerable excitement was caused by what was at first thought from the reflection on the sky to be a bad blaze last night at Crest avenue and Eighth street. The fire alarm was turned in and the fire department under Chief J. M. Fleming responded to find the conflagration that of a lot of rubbish in a ravine there. The firemen did not take the trouble to throw any water on the brush, it not being near any house.

Decisive Came Tonight

The baseball game tonight between the Episcopalists and the Methodists may be considered the decisive game, in that if the Methodists can defeat the Episcopalists the latter will be tied with the Catholics for first place. If the Episcopalists can win from the Methodists they will be the winners of the pennant. Followers of the Catholics are expected to turn out in large numbers to root for the Methodists.

GOOD SHIPMENTS OF COAL DURING FIRST SIX MONTHS

River Trade Much Better Than in Year 1908.

JUNE A BANNER MONTH
Total Nearly Equals That of Record Made in October 1907.

The shipments of coal through Lock No. 4 for the first six months of this year totaled 95,492,000 bushels. This amount falls somewhat behind the total shipments for the first six months of 1909, and 1907, which was respectively 104,740,000 and 99,005,000 bushels, but surpasses the total of 1908 of 89,185,000 bushels and surpasses the total shipments of the last six months of 1908 and 1909 of 73,716,000 and 88,088,000 bushels respectively, but does not beat the 1907 record. The average shipment per month for the first six months this year of coal through Lock No. 4 was 15,912,000 bushels but counting the July shipment the average for the first seven months was 16,778,500 bushels per month. The one short month of the year thus far was April, when the coal strike was on, and many of the mines along the valley were closed. Then however, considering the conditions there was rather an exception total shipment of coal of 6,607,000 bushels. The heavy month has far been June when 20,199,000 bushels of coal were loaded. If the April shipment had been up to the average for the remainder of the months the total shipment for the first six months would be much above what it is now. There is every indication to believe that 1910 will be a banner year in the river coal trade. So far this year 1907 holds all records when through Lock No. 4 was loaded 108,415,000 bushels of coal. With the average shipments per month at 7,000,000 or 18,000,000 bushels near the 1907 total amount can be reached. It might be said that there were no exceptional monthly total shipments made during the past three years, the first in October of 1907 of 10,420,000 bushels, this standing the record for any one month for many years. The second was in June of this year, when as noted in a preceding paragraph there was a total of 20,199,000 bushels went through the lock.

EXAMINED MINE OF SENATOR ELKINS IN WEST VIRGINIA

Superintendent Johnson and Engineer Mason Return From South.

Jesse K. Johnston, General Mine Superintendent and Harry D. Mason, mining engineer at the Charleroi Coal mines returned last evening from Morgantown, W. Va., where they have been making an examination of the Elks Coal and Coke company's properties in Monongalia and Preston counties. The Elks Coal and Coke company has fine coke properties along the Morgantown and Kingwood railroad and own 4,000 acres of coal. The property is controlled by U. S. Senator Stephen B. Elkins of W. Va. They are making a high grade of coke from the Freeport coal, all of which finds a market in the east. The Morgantown and Kingwood railroad expects in the near future to make a connection with the West Virginia Central and Western Maryland at Rowlesburg, W. Va. and with the Pittsburgh and Lake Erie extension at Rinesville which will give this large coal field new markets both in the east and west.

NORTH CHARLEROI LADY ENTERTAINS MISSIONARY CLUB

The Women's Missionary Society of the Washington Avenue Presbyterian church met at the home of Mrs. Jasper Rockwell of Lock No. 4, yesterday afternoon. Devotional exercises were led by Mrs. C. M. Allen, after which the subject of "The Freedmen" was discussed by Mrs. R. J. Whitehead as leader, assisted by Mrs. N. W. Patton and Mrs. Dolly Jeffries. Mrs. Ely of Finleyville then gave a highly interesting talk on the "Educational Side of the American Negro" and having spent several years among them in the south, her talk proved conclusively that she "knew whereof she spoke." Refreshments were served on the lawn by the hostesses, Mrs. Rockwell, Mrs. Williams and Mrs. Craft.

DOG IS KILLED AFTER IT BITES OTHER ANIMALS

Supposed Mad Dog Shot on Lincoln Avenue Last Evening.

A shepherd dog thought to be mad was killed on Lincoln avenue, near Seventh street last night, after it had bitten some other dogs in the vicinity. The dog was shot by Roy James. Where the animal had come from was a question, but when it appeared, people noticed it acting strangely, and it is said froth was dropping from its mouth. He snapped at the dogs and nipped one or two. The dog was not the one which snapped at and bit Mail Carrier Peter Lee yesterday morning. The animal which bit Lee was tied up by the owner Charles Culler, and gives no symptoms now of being mad. The condition of the dogs is caused largely it is said by the lack of good fresh water, which brings on a state of distemper, causing frothing at the mouth. When in this state they are likely to be taken for mad.

FIRST PRESBYTERIANS TOO STRONG FOR THE WASHINGTON AVENUES

Scores were frequent in last night's game between the two Presbyterian teams of the church league, the bunch known as the Firsts being in the lead when the shot and shell had passed and the smoke of battle had rolled away. It was mainly a battle of hits, errors and bases on ball, as most any ordinary contest is, with the odds in all these favoring the First Presbyterians. The Washington Avenues stored the game in their pocket in the first inning, when they got five runs on one hit, two base on balls, three errors and a life, but couldn't keep it there. The Firsts scored a tiny one in the next inning on an error and a hit and two in the third on three bingles and a sacrifice. In the third the Washington Avenues scored twice on four hits, and got their final one in the fourth inning, on three hits. Meanwhile the First Presbyterians in the fourth inning tallied four times on two hits, two stolen bases three errors, and a base on balls. In the next session they crossed the pan thrice on three hits, one a three baser, an error and a base on balls. The score:

Leave for Chautauqua
Misses Mary McGee, Florence Gril, Blanche Frye, Manie Moffitt and Roberta Trew left this morning for Niagara Falls, Buffalo and Chautauqua. While in Buffalo they will be the guests of Mrs. Alex Mathews, formerly of Charleroi and take time to call on Elbert Hubbard at East Aurora. At Chautauqua Miss Frye will take a course in designing and china painting from Mrs. L. Vance Phillips and Miss Maud Mason of New York City.

Thomas Owens is in Pittsburgh today to transact business.

ELKS AND EAGLES WILL PLAY BENEFIT FOR THE HOSPITAL

Capt. Todd and Capt. Wagner Lining Up Their Men for Real Struggle.

A benefit in the way of an alleged baseball game will be played on August 16 by the Elks and Eagles teams. The benefit will be for the Monessen Charleroi hospital and the committees in charge of arrangements for the affair hope to realize largely on it, because of the worthy object. Monessen people are being interested, and it is supposed that they will come in large numbers for the game. Sam Todd, who became noted in his younger days for his baseball ability and the accuracy of his throwing arm, will captain the Elks team and do the heaving, while his opponent on the slab will be Henry Wagner, who will captain the Eagles team. Todd will have for his backers a bunch that it will be hard to beat, and Henry Wagner promises the same. The Elks lineup will be something like the following: Pierce Ferguson, catcher; Sam Todd, pitcher; Jack Mathias, 1st base; Judge Jenkins, 2nd base; Manager McCloskey, shortstop; Tom Hastings, 3rd base; Kerfoot Daly, left field; John Monier, middle field, and John Tener, right field. Utility men, whom many think have something on the regulars will be Tom Eagey, Charles Bateman, Lou Mitchell, Bruce Barnett, George Barnett, Tom Barger and W. W. Jameson. The Eagles will line up about as follows: J. Hudspeth, catcher; Wagner, pitcher; James Underwood, 1st base; H. Bentz, 2nd base; Frank Hall, shortstop; Pete Naylor, 3rd base; Al. Bertsche, left field; F. McCafferty, middlefield; Dick Simon, right field. The utility men will be: Sherman McFeeley, Squire Newton and Harry Furlong.

HALF HIGH SCHOOLS OF COUNTY MAY NOT GET APPROPRIATION

Only half of the high schools of Washington county under supervision of County Superintendent L. R. Crumrine are in a position to receive their allotted appropriation for the coming term of school. Eleven of the 24 high schools have as yet failed to send in their annual reports to County Superintendent L. R. Crumrine and unless these are received within a few days and advanced to the State Department of Public Instruction before September 1, the delinquent schools will lose their appropriation for the year. Superintendent Crumrine is in receipt of communication from Prof. Walter S. Hertzog, state high school instructor, stating that unless these reports were in Harrisburg by the first of the month, the the appropriations would be withheld. Those who have not yet reported to Prof. Crumrine are Centerville, Clayville Cecil, Donora, McDonald, Mickey, Monongahela, Somerset, West Alexander and East Washington.

The school districts are required to report to the county superintendent, who forwards to the state department a complete report for the year covering the length of the course, number of students enrolled, number of teachers, number of members of the last graduating class, average age of graduates and subjects taught. All kinds of schools receiving non-resident pupils must report number of such pupils and districts from which they come and also the number of months they attend and the amount of tuition paid. Five districts are still delinquent in sending in their reports of the grades below high schools. These reports were to have been in the hands of the state department by the first of August. Those not yet heard from are West Alexander, Centerville, East Washington, California and Union township. The report of Union township was received but was returned for corrections. The appropriations are given out in the order reports are received and those who delay must await the pleasure of the department in forwarding the appropriations.

CRIMINAL COURT TO TAKE UP TWO IMPORTANT CASES

Officers Instructed to Name Committees for Annual Outing

The Business Men's Association at their regular meeting last night, made partial arrangements for the Business Men's annual picnic to be held at Eldora Park on August 17. There was little else to come before the association. The officers of the association were instructed to meet this afternoon and prepare an entire list of committees to have charge of the arrangements.

ONE VACANCY IN GRADE IS FILLED BY SCHOOL BOARD

New Treasurer Makes First Report at Regular Monthly Session.

One teacher was elected last night by the school board to fill a vacancy in the fifth grade of the Fifth street building. The vacancy was caused by the resignation of one of last year's teachers, Miss Elizabeth Noble of Kittanning, was chosen for the place. There is yet one vacancy to be filled, it being in the seventh grade of the same building. The first report of the newly elected treasurer, R. H. Rush, under a new system just instituted was received. By this system reports are made each month of both the school and building receipts and disbursements instead of combining them both in one. Treasurer Rush's report was as follows:

Receipts building	\$292.39
Disbursements	215.00
Balance	77.39

Receipts, school	584.27
Disbursements	53.25
Balance	531.02

Total Balance	618.41
---------------	--------

Ex tax Collector Parsons made his report showing a total amount paid the treasurer for two years, 1907 and 1908 of \$46.00. A number of bills were accepted and ordered paid, and the board discussed the matter of books but took no action.

SCOTCH CLASMEN PICNICING TODAY

The morning trains were crowded this morning by valley Scotch people going to Kennywood park, where the Scottish clans hold forth today in a big outing. Many went from Charleroi. A long program of sports and games has been arranged. Dancing will begin at 2 p. m. in the dancing pavillion. There will be a parade of clansmen headed by the Pittsburgh Bagpipe Band. The field events are so arranged that clansmen's wives and daughters will have opportunities to win prizes.

Kerfoot Daly is a Pittsburg visitor today on business.

Charleroi Case Will be One Called This Term.

WAS POSTPONED TWICE

District Attorney and Assistant Busy Preparing for Grand Jury

There are two important cases to come before the August term of criminal court which convenes next week. These are Thomas Kinney of Charleroi, charged with killing William Adams, December 1, and Kent Smith charged with assault upon Mr. and Mrs. William Noble, an aged Centerville couple.

District Attorney C. L. V. Acheson and Assistant District Attorney T. H. W. Fergus are busy preparing the list of cases that will be laid before the grand jury next week. Forty-six cases on the August list have been disposed of, the defendants having entered guilty pleas. There are at present about 90 bills to be presented.

The two important cases were continued from last term. Kinney was indicted at the February term for the murder of William Adams at Charleroi. The case was continued to the May term and further continuance was granted to the August term, through the illness of the attorney for the defendant.

Smith, a negro, is charged with breaking into the home of Mr. and Mrs. Noble on the night of February 26. The alleged motive was robbery, and the aged couple were cruelly beaten. Kent is also alleged to have made a criminal assault on Mrs. Noble. The case was continued at the May term, when the depositions of the attending physician and Mr. and Mrs. Noble were taken.

The cases on the calendar for the present term are principally of a minor nature and it is expected will be speedily disposed of. Considerable road and bridge business will be laid before the grand jury.

CHOIR REALIZES WELL ON GIPSY SOCIAL IN PINES

The choir of the First Christian church held a Gypsy Social in "The Pines," last night and by it realized a handsome sum to be used for choir expenses. An informal musical program of instrumental and vocal numbers was rendered. A bevy of young ladies, mostly members of the choir, attired in regulation Gypsy costume were the waitresses and had charge over booths which were conducted on the ground. One of the principal features was a Jacob's Well, which was presided over by Miss Ruth Middleton. Here lemonade was dispensed. The affair was in every way a Gypsy affair and the place of holding it gave it the more an appearance of reality.

Lawn Fete

The Epworth League of the Methodist church will hold a lawn fete this evening on the lawn of H. J. Booth, corner of Meadow avenue and Sixth street at which the members of the Methodist church league will be honor guests.

Women as Jurors

Lawyers in Spokane say that Shoshone county, Idaho, and not Routt county, Colorado, as reported in dispatches from Denver, is entitled to the distinction of having the first jury composed of women in the United States. The case, in which the wives of two miners in the Coeur d'Alene district were principals, was tried before Judge Kelly at Wariner, more than five years ago. The quarrel originated when one of the women alleged that the other's fence was on her ground and arrest followed. Judge Kelly, like a Daniel come to judgement, instructed his constable to impanel a jury of 12 women. L. Whitsell, formerly an attorney at Warner, and Judge Parsons were counsel in the case, which created a lot of merriment because of the utter lack of knowledge by the women as to legal terms and the duties of persons sitting in jury. However, they returned a verdict, which is a matter of record in the annals of Shoshone county.

Lovers of Freedom

As to American people sympathizing with other people in their struggle for liberty, there can be no question, says the New York World. Until shocked by the Terror, our people sympathized with the French "reds" in the Revolution. Jacobin clubs were formed men addressed each other as "Citizen." The woes of Poland were wept over by two generations that did not forget Kosciuszko's services. The Greek struggle for freedom drew from America, not only sympathy but arms, money and men. Kossuth set the country on fire for Hungary. The Italian struggle for freedom and unity was the theme of American writers from Miss Sedwick and Margaret Fuller down to W. D. Howells. Consul in 1868 to a Venice still Austrian.

The map shows traces of all these waves of sympathy in towns from Napoleon, Ark. to Ypsilanti, Mich. named for the Greek prince-patriot. We had a Kossuth hat: a Garibaldi waist for girls. Magenta and Solferino became fashion names. Volunteer firemen still use the red shirts which Garibaldi's legion first wore by accident because they fell upon some cloth of that color.

There was in each case some reason for our especial interest—the "glory that was Greece and the grandeur that was Rome;" or our father's debt to France in our Revolution and their fear of aristocracy and monarchy; or Kossuth's eloquence; or the mere shyness of the problems. Finland may seem little and far away; and her extinction is gradual, lacking the dramatic sudden catastrophe. This country did take a lively interest in the Russian rebellion and the establishment of the Duam. And the interest in the spread of human liberty may not be so remote as it seems.

ELECTRIC SPARKS

In the Philippines there is, according to rumor, an ant that kills flies. If those ants kill only flies they can get a good salary in the United States.

We know of a man who got his head shaved, and then spent so much time slapping flies off his dome that he got fired from his job.

From the venture of fifty robbers in a New York policeman's home it is supposed they considered it a safe place.

In the comic papers it is the custom during the summer time to picture the summer girl in bathing suits especially noticeable for their brevity. The at home girl is never comically pictured.

August. This is one of the peculiarly good months to start a savings account. The others are July, January, June, February, September, April, October, March, November, May and December.—Exchange.

If the fashion plate wife feels that she doesn't like her new hat she might feel some consolation in that it can be used for a bungalow.

A diamond wedding would be one performed in a baseball park, not during April.

The birthstone of April is the diamond, and the person born then is supposed according to the horoscope to be especially innocent individual, but such is not usually.

Of course the gas is never turned low in the front parlor because of sentiment. It is so the marriageable daughter may blush unseen.

With lawn parties, afternoon teas, sailing trips, motor excursions and a lot of other such things it seems after all that the Fourth of July is the only safe and sane day of the year.

Just imagine a baseball game should all the fans try to root in that new universal, Esperanto.

SMOKE PAINT

Take a small quantity of Pittsburg air, wash thoroughly and turn loose again, advises a writer in "Success Magazine." Strain the wash water and add retaining ingredients which a Pennsylvania man claims to know about. The result is a paint that is said to be durable and cheap and especially adapted to tin roofs and iron work. The same air may be recaptured and used again, but the smoke is ruined forever.

The system is said to be in successful operation on a Pennsylvania factory where the smoke is passed through an atomizing spray. Six tons of coal of the nice smudgy kind, will, if properly treated, yield five barrels of paint, besides doing its regular work.

An interesting possibility in this discovery is a by-product in the way of sweet smelling fresh laundered air, excellent for breathing and unexcelled for hanging clothes in.

Mason Jay from Defiance College, Ohio, who has been the guest of his sister, Mrs. W. C. Richey of Crest avenue for the past few days left this morning for his home in Bedford county.

TENTH REGIMENT

HOLDS REUNION

New Brighton was crowded yesterday with Spanish American War veterans and their friends who celebrated the eleventh annual reunion of the famous "Fighting Tenth" Infantry, U. S. Volunteers.

A parade was a feature in the morning, and addresses were made later in the day by Col. James E. Barnett, Lieut. Col. Thomas S. Crago, Republican nominee for Congress of Greene and Fayette counties and Maj. Neff. Connellville was selected as the place for the next convention. A number of members of Company A was present.

Mrs. Sarah Patton

Prof. J. G. Pentz has gone to Reynoldsville, Jefferson county, being called there by the death of his wife's mother, Mrs. Sarah Patton. Mrs. Patton, who was 70 years old died on Wednesday and the funeral was held today. She is survived by eight sons and daughters.

Joseph Abbot, and John Herron of Monongahela who are well known in Charleroi have gone to Homestead to join a baseball team which plays in the near future at Atlantic City, Ocean City and Cape May.

UMBEL PETITIONS

COURT FOR APPEAL

In the matter of the expense account of Robert E. Umbel in his campaign for the Judgeship in Fayette county, a petition for allowance of appeal to the Supreme Court from the judgement of the Superior Court, at last April term, has been filed in the office of the Prothonotary of the Supreme Court in Philadelphia, it is said. The petition was filed by Attorney B. C. Higbee of Uniontown.

The suit was brought over a question raised as to items in the account of Umbel which showed that a large sum was distributed to certain persons, but did not show the use made of the money. It was held by the Superior Court that a candidate must show in his account of election expenditures the purpose to which the money is put, and that a candidate is responsible for the actions of persons to whom money is supplied as his agents.

FIRE IN BRUSH

HEAP ON HILL

Considerable excitement was caused by what was at first thought from the reflection on the sky to be a bad blaze last night at Crest avenue and Eighth street. The fire alarm was turned in and the fire department under Chief J. M. Fleming responded to find the conflagration that of a lot of rubbish in a ravine there. The firemen did not take the trouble to throw any water on the brush, it not being near any house.

Decisive Came Tonight

The baseball game tonight between the Episcopalists and the Methodists may be considered the decisive game, in that if the Methodists can defeat the Episcopalists the latter will be tied with the Catholics for first place. If the Episcopalists can win from the Methodists they will be the winners of the pennant. Followers of the Catholics are expected to turn out in large numbers to root for the Methodists.

Picnic at Park

Taking their suppers the members of the Dorcas class of the First Presbyterian Sunday school taught by W. C. Clark went to Eldora Park last evening, where they enjoyed a picnic. There were 15 members went to the pleasure resort, and enjoyed a good time.
